### **Dear Quilters,**

Retreat was a lot of fun - thanks to Barb Fiddes for making it so. There were prizes, an auffle, lots of projects to work on, and many, many quilts are on their way to being finished. Congrats to all.

The crumb class with Nancy Chong was great fun as well. It's a great idea and uses up a lot of fabric with very little waste. Nancy has agreed that we can use her pattern, so there will be extra copies at the Mountlake Terrace meeting.

## **FABRIC PURCHASE**

---

Gloria Shinn and Sandy Burroughs heard about a store in Astoria, Oregon that was going to close and they were able to purchase many bolts of fabric to use as backs. They also paid a visit to Schenk in Portland and got fabric for backgrounds. Each group is getting some, so look out for it at the next meeting in your area. After all the discounts and such, the fabric came out to about \$2.00 a yard. Great shopping, ladies!
